JOUONS LE CHANGEMENT

# Our Pedagogical Tools

- **Theatre:** Short plays that reflect real life situations, challenges, personal and collective issues.
- **Improv:** Improvisation workshops designed for participants or improvised skits performed by actors
- **Role Play:** Playing a situation opposite an actor
- **Debates and workshops:** Facilitated by an actor/trainer
- **Theory:** Methods, systems, processes to help develop soft skills
- **Happening:** Surprise effect, to trigger reactions
- **Video:** To raise awareness and identify points of improvement

A personalized, pragmatic, caring, friendly, dynamic and fun approach :

Playitagain provides live theatre based training.

- Theatre is an effective and powerful tool to illustrate, question and transform behaviour in the workplace.
- It raises awareness through a safe, energizing participative approach that addresses the mind and the heart.
- It encourages inclusion and collaboration, helps define good practices, areas of improvement and solutions on personal and collective levels.

# Our levels of intervention

To support the companies and public institutions, we intervene at different levels.

- **TRAINING**
- **COACHING**
  - Team coaching
  - Individual coaching
- **AWARENESS-RAISING**
- **ANIMATION OF EVENTS**
  - Team building, seminars, product launch, convention,...

## Reveal and deploy the energies of your teams

### OUR IDENTITY

- **Playitagain** is a live theatre based training, we support you in your transformation issues and people development
- **Experts in interpersonal relations :** trainers, actors, screenwriters, certified coaches, animators, directors, ... with 15 to 25 years of experience in a professional training organization
- **A team of facilitators -**  
Development - Customer Relation -  
Communication - Administration

### OUR VALUES

- **Cooperation :** we build and adapt the content with you
- **Fun :** the game releases and reveals the potentials
- **Innovation :** we listen to our environment, we imagine new ways of working
- **Professionalism :** our bottom up pedagogy promotes autonomy, knowledge, and the exchange of experience
- **Care :** our interventions are participatory, adapted to everyone and fun

You have plans ?
